## about us

### 30 YEAR'S EXPERIENCE!

Sahara Halal Food is a frozen and non frozen food producer and processor with over than 600 professional employees, most reliable halal and quality certificates (IFS and BRC), most modern production facility and more than 275 tons daily production capacity based in Poland. Buying raw materials are chosen by our professional team carefully and as a result of long lasting searching, we assume to have the best quality meat and halal certified materials.

Sahara Halal Food's philosophy is to meet the needs of ethnic and non ethnic consumers, for whom the halal process is important.

The feature that distinguishes Sahara from others is to have transparent production and sales strategies.
